

Hospitality Space Asia Conference 2007

29 August 2007, 9:00 - 17:00

Venue Intercontinental Grand Stanford Hotel

New hotel locations are popping up all over Asia and hospitality design and management is being revolutionised by the advent of technology, the need for greater efficiency and *more revenue*.

All over Asia, the massive investment in mass market rollouts and high-end offerings in integrated resorts have created a surge of interest from existing hoteliers and international investors. Hospitality Space Asia Conference 2007 highlights the opportunities that exist for savvy investors. With the exclusive two part format Hospitality Space Asia allows the time poor to attend either morning or afternoon sessions.
