About RFP Magazine

RFP Magazine is the only monthly publication to offer a comprehensive approach to property and real estate in Asia. RFP provides informative, objective, timely and relevant content on issues affecting real estate, facility and property management, architecture, and design.

Since its launch in 2004, RFP has pursued a goal of developing a platform for information sharing amongst the professionals and organisations that are active in the industries of the built environment. RFP has become an important resource and thought leader for decision-makers and investors in the commercial, retail, hospitality and mixed-use/luxury residential sectors.
